Flowering size Cymbidium Orchids

Here is your opportunity to order strong, flowering-size cymbidium plants for next season's flowers at an extremely low cost. These plants should produce 1 to 3 flower spikes each, carrying 8 to 20 flowers or more per spike — a beautiful display of lovely flowers.

Due to the large-size operation here at our nursery, we are able to offer you this outstanding low-cost bargain of

3 flowering size Cymbidium plants \$32⁰⁰

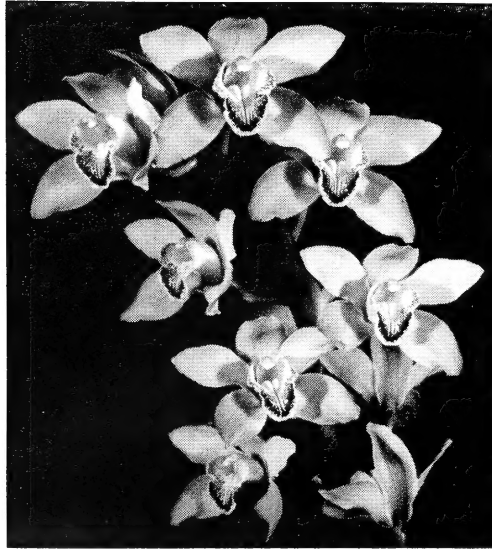

The cymbidiums offered are strong plants grown in beds. Most of these will be shipped bare root wrapped in moss, with potting and cultural directions included. Plants will be shipped by Railway Express, collect.

CYMBIDIUM PLANT FREE

Along with the above offer, if ordered within 10 days, we will include *FREE* one strong unflowered cymbidium seedling plant without cost. Take advantage of this low price and *FREE* plant offer now. Don't delay!
